NOTICE:

STEDGE SHELVES REQUIRE A WALL THICKNESS OF AT LEAST 80MM TO MOUNT THE METAL FITTINGS.

PRODUCT TEXT:

THE SUBTLE DESIGN IS AN OPTICAL ILLUSION AS THE SOLID SHELVES SEEM TO HANG BY A THREAD. THE UNBALANCED APPEARANCE OF THE SHELVES MAKES IT A MINIMALISTIC STAGE FOR YOUR FAVOURITE OBJECTS. THE MINIMUM USAGE OF NEEDED PARTS IS USED TO GENERATE A MODERN SHELF. THE MAIN IDEA BEHIND STEDGE WAS TO CREATE A STORAGE PLACE FOR OBJECTS ON THE WALL TO GAIN MORE FREE SPACE ON THE FLOOR AREA.
