Ludo dining table

Designed by Steffensen & Würtz

English text

Ludo is a visually strong pillar dining table that embodies the beauty of simplicity and balance. Inspired by pure geometric shapes, its convex and concave forms harmoniously converge in a pedestal base. Showcasing an artistic look. The minimalist design creates a modern and stringent expression, seamlessly blending function and aesthetics. With its wooden round top and centred base, Ludo provides ample legroom and easy accommodation for additional guests. Forming an inviting setting for conversation and cosy, engaging dinners.

Designed by Steffensen & Würtz

The award-winning Danish design duo, established in 2015 by Thomas Steffensen and Pia Würtz Mogensen, designs with the belief that designs must be able to last for several generations. With Master's degrees in Industrial Design and years of experience as freelance designers, their aim is to create designs that add value to their surroundings.

Danish text

Ludo er et visuelt stærkt søjle-bord, der udstråler skønheden i simplicitet og balance. Inspireret af rene geometriske figurer, smelter dets buede former harmonisk sammen i en søjle fod, der giver et kunstnerisk og moderne udtryk. Det stringente design kombinerer funktion og æstetik. Med sin runde træbordplade og centrale base skaber Ludo rigelig benplads samt rum til ekstra gæster, hvilket danner en indbydende og inviterende ramme for engagerede samtaler og hyggelige middage.

Designet af Steffensen & Würtz
