MAYOR SOFA AJ5

BY ARNE JACOBSEN/FLEMMING LASSEN

1939

MAYOR shows a moderation of modernism and a unique regional adaptation: the frame is made of solid oak, the upholstery is tight but with three loose cushions that comprise the seating area, and there is generally a more human approach to modernism with a focus on livability. The sofa is made of high quality materials. The tight upholstery and the two rows of elegant buttons that extend over the armrests and back give the sofa a simple and stylish look. Thus the sofa fits perfectly into both modern homes and workplaces, where quality and design are important parameters.

&tradition is a Danish design company established in 2010 with the founding principle being tradition tied to innovation. Our unique library of furniture and lighting spans from the 1930s to the present day and includes designs by internationally renowned designers.
