

ABOUT A CHAIR / AAC22

Design by Hee Welling & HAY

The About A Chair AAC22 design exudes the functional simplicity that is characteristic of this entire series. The solid shell comprises a curved back with armrests in polypropylene, providing excellent comfort and a soft, unified silhouette, while the four-legged wooden base adds a timeless, classic expression, ensuring greater stability and a longer lifetime. The extensive range of colours and wood choices for the base offer the opportunity to create almost infinite design combinations.

PRODUCT DETAILS

- / Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- / Variability of shell colours and base finishes.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.
- / Available with plastic shell, with front- and seat upholstery (AAC22) and full upholstery (AAC23) in a large selection of fabrics and leathers.
- / Other base options are: 4-leg steel base, sled base, swivel base, wheel base and solid wood legs.
- / Shell is also available without armrest.

HAY
